

## RESEARCH FELLOWSHIP COHORT 3

# AIM-AHEAD MENTORS

## BE AN AIM-AHEAD MENTOR TODAY!

The **AIM-AHEAD Research Fellowship Mentoring Program** aims to connect current Research Fellowship Cohort 3 fellows with AIM-AHEAD Mentors and provide the fellows with field expertise.

All Research Fellows in Cohort 3 will have one AIM-AHEAD Mentor that will be chosen through the AIM-AHEAD Research Fellowship Mentoring Program. The AIM-AHEAD Mentors will be selected from a pool of AIM-AHEAD Mentor applicants. All selected mentors should be notified by **October 27, 2024**.

### ELIGIBILITY CRITERIA

- Should have a **Ph.D., MD**, or equivalent qualification (such as PharmD., DNP, or Dr.PH) or expertise in **AI/ML, statistical analysis, or EHR analysis**, and/or expertise in **clinical or social determinants of health**.
- Prior **Mentorship experience**.
- Mentors come from **various sectors**.
- Mentors should be associated with an **organization / institution**.
- Mentors must be **US Citizens, Permanent Residents, or Non-Citizen Nationals**.

### EXPECTATIONS

- Make **time and effort** to commit to the mentorship
- Commit at least **10 hrs** a month
- Be **active** for the entire program
- Complete all **regulatory requirements**
- Provide **field expertise and advice**
- Provide **technical support**
- Attend **mandatory meetings**
- **Check-in** with the mentees for research progress
- Weekly **communication** with Mentees

## WHY MENTOR?

EARN UP
